TEAM ROOTEDSG · IYEC 2026 · SENIOR

RootStake

Grow with the space you have

A plant that can ask for what it needs, and get it.

SENSE. THINK. ACT. EXPLAIN

Less water wasted. Less fertiliser runoff.

MORE PLANTS KEPT **ALIVE**

- Probe reads moisture and nutrients at the roots.
- ESP32-S3 decides: water, feed or wait
- Pump delivers to the roots, then stops
- App tells you in one plain line

14 probe designs · 30 days
4/4 plants healthy
79.7% of residents likely to use it
